

## NEW DARE-DEVIL OF THE MOVIES

A thrilling moment in Kalem's new "Hazards of Helen," railroad series featuring the new star, Miss Helen Rose Gibson. Helen Holmes, the original "Helen," has joined the Universal forces. In continuing this series, Miss Gibson promises even more thrills and daring stunts than those of Miss Holmes, who is credited with some of the most daring work seen in the movies.

### TEAMSTERS GET \$1.50 RAISE

There will be no teamsters' strike. The employers have come completely to time. The teamsters will get the \$1.50 a week advance they asked.

At first the employers said they would not raise wages a cent, then they offered 50 cents a week raise, then 75 cents, then \$1, and when these offers were rejected it became

certain the teamsters would strike if they did not get the \$1.50 raise they asked, the employers gave in.

The agreement just signed gives a minimum of \$15 and a maximum of \$23 a week. It is effective for 5 years.

The worst thing about taking a chance is a man's inability to put it back again if it goes wrong.
